## PRAYER

**Missionaries of the Month** - Options Pregnancy Care Center (Cherry Hill, NJ) & Arlene Curran (Jamaica)

**College Student of the Week** - Jeffrey Booker, Jr. - Rutgers/New Brunswick

**Jean Benson** is home. Pray for complete recovery.

**Jimmy Carroll** (President of Liberty Church Network and Senior Pastor at Journey Church) fell and experienced a traumatic brain injury. As a result, he must take a month off from work to allow his brain to heal. Pray that he will be able to cooperate with this directive as it will be difficult for him to "do nothing" for such a long time. Also pray for the ministries of LCN and his church in Raleigh as his absence will obviously be felt.

**Kathy Cortner** had throat surgery this past Thursday. Pray for healing and ability to use her voice.

**Ruth Evans** - Continue to pray for healing as she recovers from knee surgery.

**Bernie Fisher** - Praise the Lord he is back at work. Pray for upcoming PET scan to show cancer is eradicated.

**Harry Flud's cousin, Katie**, received full body chemo and radiation and is in a lot of pain especially in her throat and mouth. Pray for relief of pain, healing, and for her salvation. Also pray for family watching her children.

**Linda McDonald** - Pray for peace, wisdom, and direction as she anticipates a procedure on Tuesday, June 6.

**Kate Neuman** - Pray that the specific illness(es) will be diagnosed with appropriate treatment and for healing.

**Rita Smith** will start a new drug to combat the slow growing cancer in her bone that is causing her pain. Pray the new drug will not have side effects and she will be able to tolerate it well.

**Jack McDevitt** (Eileen Waldin's dad) fell last week and has been released from the hospital to hospice care at Dave & Eileen's home and is now unresponsive. Pray for the family at this difficult time.
